CORPORATION COOPERATIVES FROM)

ORDER

Pursuant to 807 KAR 5:056, the Commission established this case on August 12, 2019, to review and evaluate the operation of the Fuel Adjustment Clauses (FACs) of: Jackson Purchase Energy Corporation, Kenergy Corp., and Meade County Rural Electric Cooperative Corporation (collectively Cooperatives or individually Cooperative) from November 1, 2018, through April 30, 2019.

As part of this review, each Cooperative complied with the Commission's Order to submit certain information concerning its compliance with 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case and indicated that if no interested party notified the Commission by October 8, 2019, of its intent to attend, the hearing would be canceled and the matter would be considered submitted for a decision based on the evidence in the record. No individual or entity advised the Commission by October 8, 2019, of an intent to attend the hearing. The public hearing was canceled, and the matter is considered submitted for a decision based on the evidence in the record.

Having considered the evidence in the record and being otherwise sufficiently advised, the Commission finds no evidence that the Cooperatives have improperly calculated or applied their FAC charges.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by the Cooperatives through its FACs for November 1, 2018, through April 30, 2019, are approved.
2. This case is closed and removed from the Commission's docket.
